

Welcome to the new WorkSafe SmartMove, a comprehensive online resource designed to be a one-stop-shop for students, educators and employers involved in safety induction training of young workers on work placements, work experience and school-based traineeships.

Safety Passport

- ◆ SmartMove Safety Passport— An online course that contains eight progressive lessons that include videos, interactive learning activities and printable worksheets.
- ◆ Designed to cover the nationally endorsed competency unit BSBWHS201A (Contribute to health & safety of self and others).
- ◆ Also addresses a range of outcomes in the Western Australian Certificate of Education Career & Enterprise course.
- ◆ Includes comprehensive mapping documents and assessment tools for BSBWHS201A and Career & Enterprise.

Resources

- ◆ SmartMove Certificate— An online quiz that contains fourteen industry specific modules, integrated into the Safety Passport program.
- ◆ Seventy additional printable lesson plans and worksheets, covering a range of topics.
- ◆ Online information sessions including subjects such as workplace bullying, hazards in the fast food industry, and fatigue management.
- ◆ 100 hours of activities and lessons in total.
